

## 26th Annual International Spirit of Math Contest

Dear Esteemed Educator,

**Spirit of Math** (SoM) is pleased to announce the **26th Annual International Spirit of Math Contest** to be held online globally on **February 28th, 2025**. Open to Grades 1 to 6, this contest will be written by students worldwide with the intent of testing their skills, developing self-confidence and experiencing the joy of math. The registration deadline is **January 31st, 2025**.

This contest is a tremendous opportunity for your students who are passionate about mathematics to compete with like-minded peers. We welcome you to invite your students to write the contest online at anytime during the day of the contest. We value your support for encouraging registrations in this exciting and very challenging event. As an added benefit, we are happy to share access to our Practice Centre to assist your faculty in preparing students for this contest. This Practice Centre can be accessed by clicking [here](#).

Students can prepare for the contest by engaging in video lessons and testing their knowledge by attempting contests from the past 22 years. Create a free account to access select content or subscribe to gain unlimited access to all videos, quizzes, tests and past contests.

We look forward to having your students participate in this contest. If you have any questions and/or would like to host this exclusive contest at your institution, please visit <https://spiritofmathcontest.com>.

Sincerely,

The Spirit of Math Contest Team

**Spirit of Math** is Canada's premier after-school math program for high-performing students in Grades K–11 and a global leader in math enrichment. Our proprietary curriculum was developed over a 30-year period in a classroom setting with students. Today, Spirit of Math has grown to over 11,000 students with more than 40 campuses across Canada, United States and Pakistan.
